

SEYADA MOHAMMED EL-SAYED

Phone Number: 01150342328

E-mail: seyadamohammed@gmail.com

Objective

To obtain a teaching position as a Teaching Assistant where I can utilize my strong academic background in Electronics and Communication Engineering and contribute to the educational development of students.

Education

2024-2025 Pre-Master's program. in Electronics and Communication Engineering from Faculty of Engineering, Aswan University

2018-2023 BSc in Electronics and Communication Engineering from the Higher Institute of Engineering and Technology, Al Tod, Luxor

Accumulative grade: Very Good

- Grade of graduation project: Excellent
- Graduation project: Remotely Operated Vehicle

Technical skills

Programming:

- ICDL Certificates.
- Photoshop.

Engineering software:

- AutoCAD.
- MATLAB.

Work Experience

- Teaching Assistant at the Higher Institute of Engineering and Technology, Al Tod, Luxor, from 2/11/2023 until now.

Undergraduate Courses as Teaching Assistant

- Electric Circuits ((First year Communications, first semester)
 - Electronics 1 (First year Communications, second semester)
 - Electrical Test 1(Second year Communications, second semester)
 - Electronics 2 (Second year Communications, First semester)
 - Electrical Test 2 (Second year Communications, first semester)
 - Electromagnetic waves (Third year Communications, first semester)
 - Electrical Test 3 (Second year Communications, second semester)
 - Numerical analysis (Second year Communications, second semester)
 - Digital Circuits (Second year Communications, second semester)
-

Soft skills

- Ability to work as a team member or as a leader
 - Time management skills
 - Communication skills
 - Ability to work in a pressure environment and for a long duration
-

Languages skills

- Arabic (mother tongue)
 - English (very good)
-

Personal Information

- Date of Birth:16/9/2000
- Gender: Female
- Address: Esna, Luxor
- Nationality: Egyptian
